and imagination are a dynamic duet: Red peppers,
properly roasted, peeled and zapped with a garlic-
anchovy bath, are sensational . . . Jumbo tiger
shrimps are nicely undergrilled and drizzled with olive
oil and lemon. Supreme, to my way of thinking, is the
Vitello Dolce Vita, with veal scallops immersed in
mushrooms, peppercorns, artichokes, red peppers,
cream and Barolo wine." Jeremy Ferguson, TORON-
TO Magazine. Lunch Monday-Friday. Dinner

chicken breast topped with a purée of fresh tomatoes,
cilantro & jalapeños, calamari served with jalapeno
mayonnaise, & fajitas, grilled strips of steak or chick-
en breast served in a sizzling hot skillet with green
